*All styles of music for all styles of events*

The Mark Greel Band has performed throughout New England and around the world for the last 30 years. Their tasteful and high energy live performance holds a reputation amongst Boston's best agents, hotels, and party planners.

At Governor Deval Patrick's Inaugural Ball, the Mark Greel Band was selected as a headlining act for their distinct ability to please any crowd. The Boston Harbor Hotel chose the Mark Greel Band for their 5th star award celebration for their polished presentation and professionalism. And when Governor Romney requested a band for his son's wedding at the Fairmont Copley Plaza, he decided the Mark Greel Band would be the ideal entertainment for their four hundred guests.

From Sinatra to Motown, 70's to Classic Rock and Roll, Latin to Hip Hop, The Mark Greel Band delivers amazing musicianship and entertainment. Outstanding front vocals, a killer horn section, and a musical variety no other band can cover have long been the trademarks of this full-time band of first class entertainers.

## *Recommendations from the industry*

Dear Mark,

How can we ever thank you and your fellow band members? You were truly amazing! You absolutely made our wedding one that we will never forget. From the ceremony to the last dance, you were professional and perfect. Choosing the music was a very important process. You put our minds at ease from the very beginning. We really appreciate your talent and your willingness to "go the extra mile." You really out-did yourself! Mark, you are the best. Thank you for making our wedding a success!

Love,

Carrie & Peter Campbell, Director of Catering, Boston Harbor Hotel

Dear Mark,

What a wonderful job! Ben and I were so happy. Everything from perfect introductions, the music throughout dinner, and totally rocking the house down later in the evening. We had 221 guests at our wedding and I swore all of them have commented to me on how amazing the band was. Your interpretation of each song was amazing and the the entertainer in you knew what to play and when to play it. You weren't too quiet or too loud and your band worked the room beautifully. Thank you again; your thoughtfulness was much appreciated and will not be forgotten.

Love,

Michele Mottola, Catering Manager, Copley Plaza Hotel, Boston

Dear Mark,

Thank you so very much for a perfect wedding day. Thank you for being so easy to work with especially with family musicians involved. Our wedding certainly ended perfectly with everyone on the dance floor. This was our dream come true. It is so amazing when everything comes together. The music always fit the mood of the celebration and our family loves to celebrate. We sincerely thank you for everything.

Best Wishes,

Stephanie Hass, Catering Manager, Charles Hotel, Cambridge

Dear Mark,

What can we say? You and your band were simply amazing at our July 5th wedding. Our guests are still talking about the Mark Greel Band and they tell us you're one of the best bands they've ever heard and we agree! Thank you as well for playing the Trumpet Voluntary for our ceremony, it was perfect. We hope to see you again soon to thank you personally.

With sincere thanks and lots of love,

Emily Kramer, former Function Director, Boston Harbor Hotel
